## PROPRIETOR'S MESSAGE

### NARENDER SINGH TANWAR

Since 1997, Neha Builders has been a trusted name in the construction industry, having served clients across multiple domains with their complete satisfaction and projects that have different scales. Right after its inception, one of the most important focus has been to provide a great degree of encouragement and motivation to their employees and grow in accordance with their potential by taking care of both, their personal as well as their professional growth.

In fact, we have always tried to make sure that our employees stay in the company and continue providing their valuable services to this company. From giving the perfect kind of training to our employee to executing projects effectively and decisively, 'Neha Builders' reputation is credited to the dedication of its employees, and I am proud to say that. I hope that we continue to grow and prosper as a company, as a team and as a family for years to come.

## CORPORATE PROFILE

Neha Builders is one of the leading names in construction industry in Indore, delivering amazing projects that are lined around the objectives of economical, timely and efficient completion. We are highly capable to undertake large projects at pretty competitive costs, time and money concept, with an elaborate number of resources at our disposal. Since its inception in the year 1997, We have completed a large number of projects with a high degree of customer satisfaction.

### Here is a look into our fields of operation-

- Industrial Construction
- Warehouse Construction
- Erection and Fabrication
- Colony Development
- High Rise Structures.
- Roads and Earth Works.
